

Welina ke aloha dearest Hālau ‘Ōhi‘a learners and support community!

Mahalo to all of our Hālau ‘Ōhi‘a learners for joining us this past learning cycle for our first online training, and for an awesome and engaging Papa Hua! And to all of our families and friends, organizations and co-workers, and our Hawai‘i communities, our sincerest and deepest gratitude and aloha go to you all for supporting your stewardship staff on their journey to learning Hawai‘i lifeways to enhance their engagement with our ‘āina and kanaka community, both professionally and personally.

We have a wide range of learners from a diverse range of stewardship foci, including state and government agencies, land management entities, social services, education programs and institutions, family farms, small and large NGOs, small businesses, and many more. Our efforts to develop and nurture you in this bio-cultural/social-ecological approach to aloha(ing) our islands is no small task. For some, the curriculum is welcomed and comfortable. For most, the curriculum is welcomed and uncomfortable. That, is a great place to be!

I am excited to invite all of you who are completing Papa Hua to continue on in the Hālau ‘Ōhi‘a Iākea experience to the *Papa A‘a a Mole* level. I invite organizations and supervisors to continue to support their staff in the continuation of their journey, and to allow them to take advantage of this unique professional and personal development opportunity.

Papa A‘a a Mole sessions will begin in August 2021. The entire Hālau ‘Ōhi‘a Iākea is delivered online. If our learners follow the schedule, they can complete Papa A‘a a Mole in 11 weeks worth of training (August 29, 2021 – November 13, 2021). In addition to the main online course, I will offer Hālau ‘Ōhi‘a Iākea LIVE meetings every 1-3 weeks. Tuition is \$600.00 (plus a 4.71% Sales Tax). Learners will be sent the online registration information. If your organization requires alternate tuition payment options, please contact Aimee Sato (kakoo@halauohia.com).

Mahalo to everyone for your continued support and interest in Hālau ‘Ōhi‘a, and I look forward to spending more time with all of you.
